Status Report

On December 19, 2018, plaintiff and counterclaim-defendant Sinovac Biotech Ltd. informed the Court by letter of the decision by the High Court of Justice in the Eastern Caribbean Supreme Court, Antigua and Barbuda in the related case pending in Antigua.

Defendant and counterclaim-plaintiff 1Globe Capital further states that under the applicable Antigua court rules, a party has 42 days after a decision to appeal. 1Globe Capital is likely to appeal this decision, but has not made a final determination. Antigua counsel advises

that there is no specific time by which appeals must be resolved, but in the ordinary course, appeals are generally resolved within three to six months of filing an appeal. If one or both parties request extensions, the time for resolution may be six to twelve months.
